

RETURN POLICY

All purchases are considered final, and we do not entertain requests for returns or refunds due to the nature of our software products, which are delivered instantly. By accepting this, you acknowledge that you waive your right to the 14-day cooling-off period provided by the European Union.

We retain the discretion to decline or cancel your order at any time, based on specific circumstances, including but not limited to product or service availability, discrepancies in product/service descriptions or pricing, order errors, or other valid reasons. It is explicitly agreed that Strikr cannot be held responsible for any losses or damages resulting from such cancellations.

We also reserve the right to reject or cancel your order if we suspect fraud or an unauthorized or unlawful transaction. Breaching our Terms of Service (TOS) will result in the deactivation of your product key, with no refunds issued, and our refund policy still applies even after the suspension of services.
